

New Patient Waiting List

Thank you so much for your interest in Women's Comprehensive Clinic for Internal Medicine office of Dr. Rosemary Castoreno MD. As of September 2015, we have temporarily reached capacity and cannot accept new patients. Our primary care panel is currently closed. We are only seeing appointments for our weight loss program, general physicals without need for PCP, allergy and second opinion consultations. If you would like to be placed on our waiting list to be contacted once opening become available please complete form below

Please complete this form and fax to 210-333-0763. You will be contacted when we have availability.
